

TOWN OF NORTH ANDOVER DOWN PAYMENT ASSISTANCE PROGRAM GUIDELINES

The North Andover Affordable Housing Trust (“Trust”) is providing down payment assistance to qualified homebuyers to purchase a single family home or condominium in North Andover for use as their principal residence. The program is being administered by Bread and Roses Housing. Applications should be submitted to Bread & Roses Housing and will be reviewed on a first come/first served basis and will be accepted until all allocated funds have been distributed.

Funding for this program is provided through use of Affordable Housing Trust Funds and Community Preservation Act Funds and is intended for low and moderate income homebuyers who can afford monthly mortgage payments but do not have enough to pay the initial home purchase costs with the goal to increase homeownership among low and moderate income households in the Town of North Andover. Applications and a checklist to guide you through the process are available at North Andover Town Hall, 120 Main Street, North Andover, MA or online at www.northandoverma.gov and Centro de Apoyo Familiar (CAF), 15 Union Street, Suite 205, Lawrence, MA 01840 or online at www.brhousing.org.

You are encouraged to begin your house-hunting process by applying for DPA early, before you have made an offer on a property. To avoid unnecessary delays, submit your application and all required documentation a minimum of five (5) weeks prior to your loan closing. Once qualified, your conditional letter of approval is valid for 6 months.

What Type of Assistance is Available?

DPA is considered a “deferred payment loan.” The loan is interest free and you will not be required to repay the loan or make any payments on the loan unless, during the 10 year term of the mortgage, the property is sold or transferred; is refinanced or encumbered without the Trust’s prior approval; is no longer used as your primary residence; or you otherwise violate any of the terms of the mortgage.

If the property is sold prior to the sixth anniversary of the sale, you will be required to pay back the full amount. Between six and ten years, the loan is forgiven in an amount equal to 20% of the assistance provided for each of the years after year five. If you reside in your home for 10 years, the deferred loan will be forgiven. Please see the examples and table below for further guidance on how the loan is forgiven.

Example A. You purchase the property on January 1, 2021, with down payment assistance in the amount of \$10,000. In June 2024, you sell your home. Since less than 5 full years have passed, you would be required to repay the full amount of \$10,000.

Example B. You purchase the property on January 1, 2021, with down payment assistance in the amount of \$10,000. In June 2028, you sell your home. Since 7 full years have passed, you would only need to repay \$6,000 at the time you sell your home.

Example C. You purchase the property on January 1, 2021 with down payment assistance in the amount of \$10,000. In January 2032, you sell your home. Since more than 10 full years have passed, you would not have to repay any amount of the loan at the time you sell your home.

The DPA program will provide eligible buyers with 10% of the purchase price up to \$30,000. The Trust will determine the maximum amount for each application based on purchase price and availability of funds.
